

Quality Policy

AWP Group designs and manufactures tough and innovative Shelter and Tarping solutions such as our industry leading DomeShelter™. Strategically focused on the Mining, Industrial and Agriculture sectors, our products are trusted, through well-proven quality. Our mission is to exceed our customers' expectations and create mutually beneficial and effective client relationships by providing a unique service that is hassle free.

We will achieve our objective through teamwork at all levels and will ensure that it is communicated and understood.

AWP Group commits to;

- comply with statutory obligations, specifications and codes of practice relevant to quality management;
- excel in product applicability and quality,
- provide staff & contractors with ongoing training and development opportunities and;
- maintaining and improving the Quality Management System based on ISO 9001

This Quality Policy along with our business objectives is reviewed annually. Any improvements identified from the review will be included in the Quality Policy to increase effectiveness to ensure continual improvement.

Quality problems arising in various areas are to be identified and solved with speed, technical efficiency and economy. We focus our resources, both technical and human, towards the prevention of quality deficiencies to satisfy our objective.

The Quality Manager is authorised to ensure that the requirements of this Quality System are implemented. Any problems that cannot be resolved between departments or personnel shall be brought to my attention for final resolution.

Trevor Fawkes
Director of Operations
